## Why Choose Power Trading FX?

- We are registered with FX Solutions as Introducing Advisors and Money Managers. ([www.fxolutions.com](http://www.fxolutions.com))
- We are in process of being registered with the National Futures Association. ([www.nfa.futures.org](http://www.nfa.futures.org))
- The Off Exchange Retail Currency Market (FOREX Market) is the world's largest financial market. It is also the most volatile.
- **Performance Account**-As Money Managers we charge 30% while the client receives 70% of the profit based on "High Watermark Calculation". This fee is only paid when the Money Manager produces on the client's behalf. We also charge one point per trade regardless of the profitability of that trade. With a minimum investment of \$5000.00 the client agrees that Power Trading FX will receive 30% of accumulated equity each month. All investments involve different degrees of risk. You should be aware of your risk tolerance level and financial situations at all times.
